

**THERE IS FACT.
THERE IS FICTION.
YOU DECIDE ONLINE.**

www.TheTruthAboutDaVinci.com

The mix of fact and fiction in The Da Vinci Code is reason for great concern. The film, based on the best-selling novel, is causing audiences to question the Bible's message and its impact on history. This website, sponsored by Westminster Theological Seminary, incorporates the best resources available to set the record straight and commend the historic Christian faith.
