

THE TRUE  
INSPIRATION BEHIND  
THE DA VINCI CODE  
ISN'T A JEW FROM  
NAZARETH.  
IT'S A CONVICTED  
ANTI-SEMITIC FROM  
FRANCE.

Dan Brown is telling an old story.

50 years old, to be exact.

That's when Pierre Plantard founded the Priory of Sion

in the hope of convincing people that he was  
the descendant of Jesus Christ and Mary Magdalene.

The French didn't believe him then.

So should you believe him now?
